DIRECTIONS FOR REQUESTING A PREDETERMINATION OF BENEFITS:

To save yourself from costly coinsurance and charges for expenses which are not covered, you should have your dentist submit a Predetermination of Benefits. If charges for a course of dental treatment are expected to equal or exceed \$500, have your dentist complete a pre-treatment claim form and send it to us along with his treatment plan. We will review the treatment plan and tell you and your dentist how much will be paid by IMG and how much will be paid by the patient.

DIRECTIONS FOR SUBMITTING A CLAIM: (There are four parts to this form—A, B, C & D. Please carefully review the instructions below.)

- Complete *ALL PARTS* of the Claim Form. If treatment was received in the United States you do not need to complete PART C.
- Attach all original itemized bills, statements and invoices for services and supplies.
- Please make certain that all documents indicate claimant's name, date of service, diagnosis and the itemized charges.

Our goal at IMG is to process your claim quickly, accurately and efficiently. In order to achieve this, the Claim Form must be fully and accurately completed. Failure to do this will result in processing delays.

Notice: Any false statement, concealment or fraud shall render this insurance null and void and all claims hereunder shall be forfeited.
