

For Groups of 10 or More Employees

What are the benefits to a group in utilising the MHD provision?

All eligible enrollees will:

- Be accepted at their effective date without the need to disclose their full medical history or complete an individual application form, and we will not apply any exclusion for any pre-existing conditions they may have.
- Be covered from the effective date for pre-existing conditions up to the overall policy aggregate maximum sum insured per period of insurance. Our standard pre-existing condition coverage wait period, exclusion and coverage sub-limits will not apply.
- Have all waiting periods (i.e. Maternity, Dental, Wellness, Compassionate Visit and Psychiatric Treatment) waived from their effective date.
- Still be subject to the remaining policy terms, conditions, sub-limits and exclusions.
